19 March 1981

MEMORANDUM FOR: Deputy Director for Administration
FROM: Bruce T. Johnson
Director of Data Processing
SUBJECT: ODP Report for Week Ending 18 March 1981

Support to Office of SIGINT Operations

LADS (Logistics Automated Data Processing System).

The field installation of LADS was declared operational on 13 March 1981. Parallel operation with the old system has been terminated and data loading of LADS is continuing on schedule for a technical and general supplies data base. TDY personnel will be leaving the field site on 20 March 1981. [REDACTED]
